Although the abovementioned is the current level of turnover/income and is closely related to the economic indicators, it may be more or less in future. Consequently, this Certificate does not serve as a guarantee that the income reflected will continue at the same levels. In our opinion, the B-BBEE Status reflected on this Certificate has been determined, in all material respects, in accordance with the Codes of Good Practice on Black Economic Empowerment gazetted on 9 February 2007 in terms of the Broad-Based Black Economic Empowerment Act of South Africa. Our independent reasonable assurance report dated 16 April 2014 is available for inspection at the registered office of Harvest Chartered Accountants together with the accompanying Scorecard and should be referred to for an understanding of our assurance engagement. This Certificate has been determined, on the basis of information provided by management that may not be complete in all respects. We do not accept or assume responsibility to anyone other than Fargo Freightlines CC for our work, for this report, or for the conclusion we have reached.
